

PERFECT STUDENT

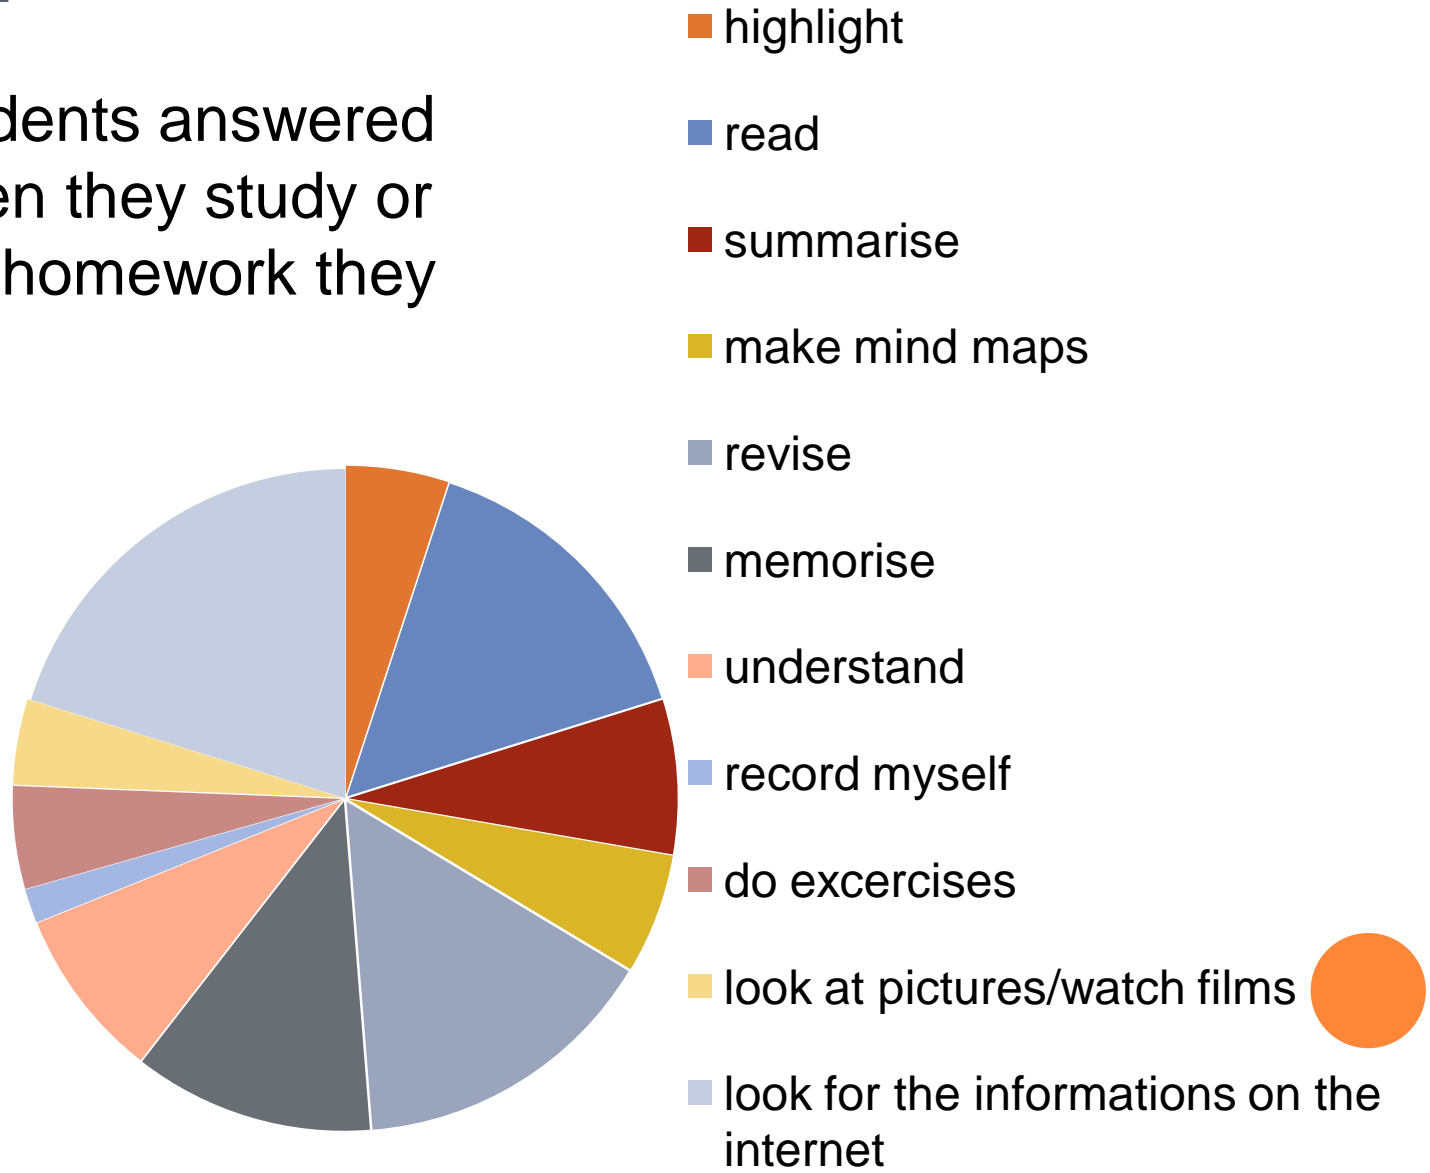

~ OUR SURVEY ~

- We conducted a survey in lower secondary school. Students had to rise to some questions about how they study. Those are the results of our work.

~ WHEN I STUDY OR DO MY HOMEWORK I USUALLY ~

- The students answered that when they study or do their homework they usually:

~ HOW LONG DO I STUDY EVERY DAY/WHERE DO I STUDY ~

- Students said that they study about **two hours** a day. Most of them study **at their desks at home**. The half of them like studying **in silence** and the other half prefer studying **with suitable music**. Minority of students **stand or walk** while studying. Nobody study **out and about**.

~ I PREFER STUDYING/DO I USUALLY MAKE USE OF TECHNOLOGICAL TOOLS ~

- Most of the interviewees prefer studying alone. Four people study with friend. Only two students like studying in a group or with someone from their family.
- Twenty-eight students make use of technological tools and twenty-two don't.

~ DO I TAKE PART IN EXTRACURRICULAR CLASS/DO I TAKE PART IN COMPETITIONS ~

- Twenty-eight students take part in extracurricular class and only twenty-one of interviewees take part in competitions.
